

GURU GOBIND SINGH COLLEGE, SANGHERA (BARNALA)

Institutional Best Practice: 01

TITLE: Swachh Bharat Abhiyan Summer Internships: Awareness of spirit of SBA among 20 villages.

Context: Government of India pledged to clean the nation under the SWACHH BHARAT ABHIYAN. The institute has put heuristic efforts to execute and internalize the core spirit of this Government sponsored mission. As far as locality of the institute is concerned, it was identified to spread awareness in surrounding villages of institute for sanitation and cleanliness under the national mission, college adopted 20 villages for this purpose. The key factor of this awareness drive is maintain hygiene, construction and utilization of toilets, household waste management, cleanliness of drainage system.

Objective:

- ❖ The key objective behind this awareness drive is to strengthen the Swachh Bharat Abhiyan on the ground level and enlighten the rural intellectual.
- ❖ To aware the rural people about the basic hygiene measurement and safety concerns.
- ❖ To spread awareness among the villager's prevention of infectious and contagious diseases.
- ❖ To inculcate the individual's responsibility to keep neat and clean their surroundings.
- ❖ To promote appropriate utilization and recycling wastage of households.

Practice: Execution of this awareness drive was really challenging to deliver and manipulate the desired objectives into the mind of the rural individuals. The institute has identified and selected those concerned villages which actually unaware about basic healthy living style. Total 100 volunteers have been selected under the supervision of five teachers. Each village has been facilitated by the five volunteers according to their locality. At the very beginning, huge hoardings

boarded on the public places i.e. Panchayat Offices, Choupals. In the first phase meetings with the Sarpanchs's and prominent personalities of the villages to divert their positive intension towards this internship. They amplify the announcements in the villages so that people can come forward to listen and do not hesitate to share views with the volunteers. In the second phase volunteers get loaded with graphic based content, projectors to display documentaries, hoardings, flyers etc. Volunteers and teachers itself to initiative to clean their surroundings to eliminate their hesitation to took participation. In the end of the Internship the volunteers got success to enlighten the spirit of Sawach Bharat Abhiyan.

Impact of Practice: Great transformations in the mind of the rural individuals has been observed. People starts to change their daily routines and mandate to follow up the basic required precautions to prevent the diseases. The head of the Institute instructs the volunteers to reevaluate the impact of the awareness drive after the gap of one month. The outcome of the drive was outstanding and remarkable. Rural individuals become habitual of healthy lifestyle.

Resources Required:

- ❖ Vehicles to visit the villages.
- ❖ ICT based devices to make the drive more interactive.
- ❖ Flexes, Pamphlets, Flyers, hoardings
