Summarized Analysis and Action Taken report of Students Feedback

SESSION: 2020-21

The feedback system in the Institute is profound in getting real-time assessments of every department. For this purpose, feedback forms are produced by IQAC with the aid of Academic Council and circulated randomly among different target groups as students and teachers to get reviews on various criterions. These forms are then recollected and analyzed to diagnose the areas of improvement. These shortcomings are then mitigated. The Institute has a proper channel to collect feedback from students to get the shortcomings of the Institute. There are the following 4 steps of this channel:

- **Delivering feedback forms:** For session 2020-21 feedback forms were delivered through the online system.
- **Collecting of feedback forms:** For session 2020-21 feedback forms were collected through the online system.
- **Analysis of these feedback forms:** After collecting feedback forms these forms are presented before the Academic Council for the analysis of these feedback forms.
- **Action is taken:** Action is taken upon the basis of the previous three steps by the Academic Council with the help of the principal and management. The council found the drawbacks of the Institute on the behalf of the responses of students

For session 2020-21 total 302 students had given their responses against the feedback forms delivered to them. It was collected through the online system. Students from all streams as BA, BCA, and MA gave these responses. Total students who have given responses are given below as per stream:

BA – 224

BCA – 29

MA – 49

An analysis committee with the help of the principal analysis responses of students in the month of May of 2021 to get shortcomings of the system so that these shortcomings must be gets rid-off. Almost every student gives his/her suggestion according to the needs of students. Analysis committee analysis student's responses as given below:

- According to the majority of students teachers were co-operative to cater the most of the doubts of the students.
- Teachers played an important role in improving confident behavior among every pupil in one way or the other.
- Major chunk of the syllabus was taught in classes in a systematic manner.
- Students are satisfied with the way of teaching of teachers
- According to the majority of students teachers are dedicated to their duties
- According to mentees, mentors come well prepared for classes and were mostly punctual for lectures.
- The Whole syllabus is covered by teachers within the time as per the norms of the university.
- Teachers come to the class with full preparation.
- Internal evaluation system is excellent
- According to mentees mentors inspired them to gather more knowledge on the respective subjects.
- During Covid-19 teaching process was excellent.
- According to a few students library facility is adequate.
- Faculty of colleges is overall good.
- According to the majority of students the curriculum was well designed to cater to their needs.

Action taken:

These responses were presented before the principal and Management of the Institute for further analysis to improve them. The principal and Academic Council with the help of Management make a policy to enhance the academic and non-academic activities in the institute.
